## DECLARES

To have certain and documentable data about the awards obtained by the work presented in Italy and abroad.

To hold the rights of the film.

To give the release to the Organizing Committee of the Festival for the public screening.

To own the rights to use the aforementioned work.

To have acquired all the assignments due from the entitled parties for the use of any music and / or images not original present in the work.

To assume all responsibility for the use of the music and any non-original music present in the work.

To authorize the festival management to show the aforementioned work for the sole purpose of a correct performance of the event, without looking for anything from the management itself.

To send a link of the video with subtitles in Italian or English by e-mail (if it's not in English already)

To authorize the Festival management to use part of the work for the promotion and dissemination of the event, no- profit.

The undersigned takes responsibility in case of non-truthfulness of the information contained in this document and of any violation of copyright or individual property rights of the contents present in the material provided to the festival.

Since the "Rocca Priora Super Corto film Festival" does not directly acquire the rights of the work transmitted by the proponent, in no case it may be held liable in case of disputes followed the occurrences described in the previous paragraph.
